

# QUANT ANALYST INTERNSHIP

## SUMMER 2024

### ABOUT OUR PROGRAM

Are you a sophomore with a passion for data, programming, and financial markets? Alta Fox Capital is thrilled to invite you to apply for our Quantitative Analyst Summer Internship Program. As an intern, you will have the opportunity to:

- **Make a Direct Impact:** Have ownership of a quantitative analytics project and deliverable that directly supports and impacts our Research process.
- **Develop Critical Skills:** Hone your data analysis, statistical modeling, and programming skills, equipping you for a successful career in finance.
- **Mentorship & Training:** Have access to resources, training, and mentorship to ensure your growth and development throughout the internship.
- **Networking Opportunities:** Connect with professionals in the financial industry, build valuable relationships, and expand your network.

### YOUR QUALIFICATIONS

- ✓ Current sophomore with min. GPA of 3.50 and robust math / statistics foundation
- ✓ Strong programming skillset, particularly in Python (required) and R (preferred)
- ✓ A genuine interest in financial markets and quantitative analysis
- ✓ Good analytical and problem-solving skills and a team player

### WHO WE ARE

Alta Fox Capital is a long/short equity hedge fund based in Fort Worth, TX. We strive to generate exceptional risk-adjusted returns through various investment vehicles. For more information, please visit: [altafoxcapital.com](https://altafoxcapital.com)

### HOW TO APPLY

Submit your resume, a cover letter, and most recent transcript by November 11 to [recruiting@altafoxcapital.com](mailto:recruiting@altafoxcapital.com) with Subject: "Summer 2024 Quantitative Internship"
